Dear Sirs:

1. *Introductory.* The stockholders of GMS Inc., a Delaware corporation (the “**Company**”), listed in Schedule A hereto (the “**Selling Stockholders**”) agree severally with the Underwriter named in Schedule B hereto (the “**Underwriter**”), to sell to the Underwriter an aggregate of 5,000,000 outstanding shares (the “**Offered Securities**”) of the Company’s common stock, par value \$0.01 per share (the “**Common Stock**”). To the extent there are no additional Underwriters listed in Schedule B other than you, the term “**Representatives**” as used herein shall mean you, as Underwriter, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires.

2. *Representations and Warranties of the Company and the Selling Stockholders; Certain Defined Terms.* (a) The Company represents and warrants to, and agrees with, the Underwriter and the Selling Stockholders that:

(i) *Filing and Effectiveness of Registration Statement.* An “automatic shelf registration statement” as defined in Rule 405 under the Act on Form S-3 (No. 333-221986) in respect of Common Stock held by the Selling Stockholders, including the Offered Securities, has been filed with the Commission; such registration statement, and any post-effective amendment, if any, thereto, became effective on filing pursuant to Rule 462(e) under the Act; no stop order suspending the effectiveness of such registration statement or any part thereof has been issued and no proceeding for that purpose has been initiated or, to the Company’s knowledge, threatened by the Commission, and no notice of objection of the Commission to the use of the Registration Statement, or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act has been received by the Company; the base prospectus filed as part of such registration statement, in the form in which it has most recently been filed with the Commission on or prior to the date of this Agreement, is hereinafter called the “**Basic Prospectus**”; the Basic Prospectus, as amended and supplemented by any preliminary prospectus (including any preliminary prospectus supplement) relating to the Offered Securities filed with the Commission pursuant to Rule 424(b) under the Act is hereinafter referred to as a “**Preliminary Prospectus**”; the various parts of such registration statement, including all exhibits thereto and including any prospectus supplement relating to the Offered Securities that is filed with the Commission and deemed by virtue of Rule 430B under the Act to be part of

1

Unless otherwise specified, a reference to a “rule” is to the indicated rule under the Act.

Any reference to the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the General Disclosure Package (as defined below) or the Final Prospectus shall be deemed to refer to and include any documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Act, as of the date of the Registration Statement, the Basic Prospectus, such Preliminary Prospectus, the Pricing Prospectus, the General Disclosure Package or the Final Prospectus, as the case may be. 2

of the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the General Disclosure Package or the Final Prospectus, as the case may be. Any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the effective date of the Registration Statement that is incorporated by reference in the Registration Statement.

(ii) *Compliance with Act Requirements.* (i)(A) As of the effective date as to each part of the Registration Statement, (B) on the date of this Agreement and (C) on the Closing Date, the Registration Statement complied and will comply in all material respects to the requirements of the Act and the Rules and Regulations and did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and (ii)(A) on its date, (B) at the time of filing of the Final Prospectus pursuant to Rule 424(b) under the Act or at the time of any amendment or supplement thereto, and (C) on the Closing Date, the Final Prospectus will comply in all material respects to the requirements of the Act and the Rules and Regulations and will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Registration Statements (or any amendment thereto) or the Final Prospectus (or any amendment or supplement thereto) made in reliance upon and in conformity with (x) written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 9(c) hereof or (y) the Selling Stockholder Information (as defined below).

(iii) *WKSI Status.* (i)(A) At the time of the filing of the Registration Statement, (B) at the time of the most recent amendment thereto, if any, for purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, a report filed pursuant to Section 13 or 15(d) of the Exchange Act and incorporated by reference in the Registration Statement or form of prospectus) and (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163 (c) under the Act) made any offering relating to the Offered Securities in reliance on the exemption of Rule 163 under the Act, the Company was a “well-known seasoned issuer” as defined in Rule 405 under the Act; and (ii) at the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h) (2) under the Act) of the Offered Securities, the Company was not an “ineligible issuer,” as defined in Rule 405 under the Act.

(iv) *General Disclosure Package.* As of the Applicable Time, neither (i) the General Use Issuer Free Writing Prospectus(es), if any, issued at or prior to the Applicable Time, the Pricing Prospectus and the other information, if any, stated in Schedule C to this Agreement to be included in the General Disclosure Package, all considered together (collectively, the “**General Disclosure Package**”), nor (ii) any individual Limited Use Issuer Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from any Preliminary Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with (x) written information

3

furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information is that described as such in Section 9(c) hereof or (y) the Selling Stockholder Information.

(v) *Issuer Free Writing Prospectuses.* Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Offered Securities or until any earlier date that the Company notified or notifies the Representatives as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will

conflict with the information then contained in the Registration Statement. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information then contained in the Registration Statement or as a result of which such Issuer Free Writing Prospectus, if republished immediately following such event or development, would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, (i) the Company has promptly notified or will promptly notify the Representatives and (ii) the Company has promptly amended or will promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(vi) *Documents Incorporated by Reference.* The documents incorporated by reference in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the General Disclosure Package and the Final Prospectus, when they were filed with the Commission, conformed in all material respects to the requirements of the Exchange Act and the rules and regulations of the Commission thereunder, and none of such documents, at its time of filing with the Commission, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(vii) *Good Standing of the Company.* The Company has been duly incorporated and is existing and in good standing under the laws of the State of Delaware, with power and authority (corporate and other) to own its properties and conduct its business as described in the General Disclosure Package; and the Company is duly qualified to do business as a foreign corporation in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the management, condition (financial or other), business, properties, results of operations or prospects of the Company and its subsidiaries taken as a whole (a “**Material Adverse Effect**”).

(viii) *Subsidiaries.* Each subsidiary of the Company has been duly incorporated or organized and is existing and in good standing under the laws of the jurisdiction of its incorporation or organization, with power and authority to own its properties and conduct its business as described in the General Disclosure Package and each subsidiary is duly qualified to do business as a foreign corporation, in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, in each case, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, have a Material Adverse Effect. All of the issued and outstanding capital stock of each subsidiary of the Company has been duly

authorized and validly issued and is fully paid and nonassessable; and the capital stock of each subsidiary owned by the Company, directly or indirectly, is owned free from liens, encumbrances and defects, except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus and other than liens guaranteed or otherwise permitted by the senior secured asset based revolving credit facility and the senior secured first lien term loan facility of GYP Holdings III Corp. (collectively, the “**Facilities**”). The only subsidiaries of the Company are (a) the subsidiaries listed on Exhibit 21 to the Registration Statement and (b) certain other subsidiaries which, considered in the aggregate as a single subsidiary, do not constitute a “significant subsidiary” as defined in Rule 1-02 (w) of Regulation S-X.

(ix) *Offered Securities.* The Offered Securities and all other outstanding shares of capital stock of the Company have been duly authorized; the authorized equity capitalization of the Company is as set forth in the General Disclosure Package under the caption “Description of Capital Stock” in the Basic Prospectus; all outstanding shares of capital stock of the Company, including the Offered Securities, are validly issued, fully paid and nonassessable, and conform in all material respects to the description of the Common Stock contained in the General Disclosure Package and the Final Prospectus; the stockholders of the Company have no preemptive rights with respect to the sale of the Offered Securities that have not been complied with or validly waived; and none of the outstanding shares of capital stock of the Company have been issued in violation of any preemptive or similar rights of any security holder of the Company. Except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, there are no outstanding (A) securities or obligations of the Company convertible into or exchangeable for any capital stock of the Company, (B) warrants, rights or options to subscribe for or purchase from the Company any such capital stock or any such convertible or exchangeable securities or obligations or (C) obligations of the Company to issue or sell any shares of capital stock, any such convertible or exchangeable securities or obligations or any such warrants, rights or options. The Company has not, directly or indirectly, offered or sold any of the Offered Securities by means of any “prospectus” (within the meaning of the Act and the Rules and Regulations) or used any “prospectus” or made any offer (within the meaning of the Act and the Rules and Regulations) in connection with the offer or sale of the Offered Securities, in each case other than the Pricing Prospectus, the General Disclosure Package and the Final Prospectus.

(x) *Other Offerings.* The Company has not sold, issued or distributed any Common Stock during the six-month period preceding the date hereof, including any sales pursuant to Rule 144A under, or Regulation D or Regulation S of, the Act, other than Common Stock issued pursuant to employee benefit plans, qualified stock option plans or other employee compensation plans or pursuant to outstanding options, rights or warrants.

(xi) *No Finder’s Fee.* Except as disclosed in the General Disclosure Package and as contemplated by this Agreement, there are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Underwriter for a brokerage commission, finder’s fee or other like payment in connection with this offering.

(xii) *Registration Rights.* Except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, there are no contracts, agreements or understandings between the Company and any person granting such person the right

require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Act (collectively, “**registration rights**”), and, except for the Offered Securities to be sold by the Selling Stockholders, any person to whom the Company has granted registration rights applicable to the offer and sale of the Offered Securities has validly waived or not exercised such rights or agreed not to exercise such rights until after the expiration of the Lock-Up Period referred to in Section 5(j) hereof.

(xiii) *Absence of Further Requirements.* No consent, approval, authorization, or order of, or filing or registration with, any person (including any governmental agency or body or any court) is required to be obtained or made by the Company or any Selling Stockholder for the consummation of the transactions contemplated by this Agreement in connection with the sale of the Offered Securities, except such as have been obtained, or made and such as may be required under state securities laws, the New York Stock Exchange, the Financial Industry Regulatory Authority, Inc. (“**FINRA**”) and except for any such consents, approvals, authorizations, orders, filings or registrations the absence of which would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect or materially interfere with the consummation of the transactions contemplated hereby.

(xiv) *Title to Property.* Except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, the Company and its subsidiaries have good and marketable title to all real properties and all other properties and assets owned by them, in each case free from liens, charges, encumbrances and defects that would materially affect the value thereof or materially interfere with the use made or to be made thereof by them, other than liens granted to lenders under the Facilities or otherwise permitted thereby, and, except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, the Company and its subsidiaries hold any leased real or personal property under valid and enforceable leases with no terms or provisions that would materially interfere with the use made or to be made thereof by them, in each case, except, as would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

(xv) *Absence of Defaults and Conflicts Resulting from Transaction.* The execution, delivery and performance of this Agreement, and the sale of the Offered Securities will not result in a breach or violation of any of the terms and provisions of, or constitute a default or a Debt Repayment Triggering Event (as defined below) under, or result in the imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to, (i) the charter or by-laws of the Company or any of its subsidiaries, (ii) any statute, rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties, or (iii) any agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the properties of the Company or any of its subsidiaries is subject, except, with respect to clauses (ii) and (iii) above, as would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect. A “**Debt Repayment Triggering Event**” means any event or condition that gives, or with the giving of notice or lapse of time would give, the holder of any note, debenture, or other evidence of indebtedness (or any person acting on such holder’s behalf) the right

to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(xvi) *Absence of Existing Defaults and Conflicts.* Neither the Company nor any of its subsidiaries is in violation of its respective charter or by-laws or in default (or with the giving of notice or lapse of time would be in default) under any existing obligation, agreement, covenant or condition contained in any indenture, loan agreement, mortgage, lease or other agreement or instrument to which any of them is a party or by which any of them is bound or to which any of the properties of any of them is subject, except such defaults that would not, individually or in the aggregate, be reasonably expected to result in a Material Adverse Effect.

(xvii) *Authorization of Agreement.* This Agreement has been duly authorized, executed and delivered by the Company.

(xxviii) *Possession of Licenses and Permits.* The Company and its subsidiaries possess, and are in compliance with the terms of, all adequate certificates, authorizations, franchises, licenses and permits (“**Licenses**”) necessary to the conduct of the business now conducted or proposed in the General Disclosure Package to be conducted by them, except where the failure to possess or be in compliance with any such Licenses would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect, and have not received any notice of proceedings relating to the revocation or modification of any Licenses that, in each case, if determined adversely to the Company or any of its subsidiaries, would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

(xix) *Absence of Labor Dispute.* No labor dispute with the employees of the Company or any of its subsidiaries exists or, to the knowledge of the Company, is imminent that would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

(xx) *Possession of Intellectual Property.* The Company and its subsidiaries own, possess or can acquire on reasonable terms, adequate trademarks, trade names and other rights to inventions, know-how, patents, copyrights, confidential information and other intellectual property (collectively, “**intellectual property rights**”) necessary to conduct the business now operated by them, or presently

employed by them, except where the failure to possess or acquire on reasonable terms intellectual property rights would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect, and have not received any notice of infringement of or conflict with asserted rights of others with respect to any intellectual property rights that, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate be reasonably expected to have a Material Adverse Effect.

(xxi) *Environmental Laws.* Except as disclosed in the General Disclosure Package, (a)(i) neither the Company nor any of its subsidiaries is in violation of, or has knowledge of any liability under, any federal, state, local or non-U.S. statute, law, rule, regulation, ordinance, code, other requirement or rule of law (including common law), or decision or order of any domestic or foreign governmental agency, governmental body or court, relating to pollution, to the use, handling, transportation, treatment, storage, discharge, disposal or release of Hazardous Substances, to the protection or restoration of the environment or natural resources (including biota), to health and safety including as such

7

relates to exposure to Hazardous Substances, and to natural resource damages (collectively, “**Environmental Laws**”), (ii) neither the Company nor any of its subsidiaries owns, occupies, operates or uses any real property contaminated with Hazardous Substances, (iii) neither the Company nor any of its subsidiaries is conducting or funding any investigation, remediation, remedial action or monitoring of actual or suspected Hazardous Substances in the environment, (iv) neither the Company nor any of its subsidiaries is liable or allegedly liable for any release or threatened release of Hazardous Substances at any real property currently or, to the knowledge of the Company, formerly owned, leased or operated by the Company or any of its subsidiaries or has received notice of any such liability for any such release at any off-site treatment, storage or disposal site, (v) neither the Company nor any of its subsidiaries is subject to any claim by any governmental agency or governmental body or person relating to Environmental Laws or Hazardous Substances, and (vi) the Company and its subsidiaries have received and are in compliance with all, and have no liability for any failure to obtain or noncompliance under any, permits, licenses, authorizations, identification numbers or other approvals required under applicable Environmental Laws to conduct their respective businesses, except in each case covered by clauses (i) — (vi) such as would not individually or in the aggregate be reasonably expected to have a Material Adverse Effect; (b) to the knowledge of the Company there are no facts or circumstances that would reasonably be expected to result in a violation of, liability under, or claim pursuant to any Environmental Law that would have a Material Adverse Effect; and (c) to the knowledge of the Company there are no requirements proposed for adoption or implementation under any Environmental Law that would reasonably be expected to have a Material Adverse Effect. For purposes of this subsection “**Hazardous Substances**” means (A) petroleum and petroleum products, by-products or breakdown products, radioactive materials, asbestos-containing materials, polychlorinated biphenyls and toxic mold, and (B) any other chemical, material or substance defined or regulated as toxic or hazardous or as a pollutant, contaminant or waste under Environmental Laws.

(xxii) *Accurate Disclosure.* The statements in the General Disclosure Package and the Final Prospectus under the heading “Material U.S. Federal Tax Considerations for Non-U.S. Holders of Our Common Stock” and in the Basic Prospectus under the heading “Description of Capital Stock” insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are accurate and fair summaries of such legal matters, agreements, documents or proceedings and present the information required to be shown in all material respects.

(xxiii) *Accuracy of Exhibits.* There are no contracts or documents which are required to be described in the Registration Statement or to be filed as exhibits thereto which have not been so described and filed as required.

(xxiv) *Absence of Manipulation.* Neither the Company nor, to the knowledge of the Company, any of its affiliates has taken or will take, directly or indirectly, any action that is designed to or that has constituted or that would reasonably be expected to cause or result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Offered Securities.

(xxv) *Statistical and Market-Related Data.* Any third-party statistical and market-related data included in the Registration Statement, any Preliminary Prospectus, the General Disclosure Package or the Final Prospectus are based on or derived from sources that the Company believes to be reliable and accurate in all material respects.

8

(xxvi) *Internal Controls and Compliance with the Sarbanes-Oxley Act.* Except as set forth in the Registration Statement, the General Disclosure Package and the Final Prospectus, the Company, its subsidiaries and the Company’s Board of Directors (the “**Board**”) have taken all necessary actions to ensure that the Company is in compliance in all material respects with the applicable provisions of Sarbanes-Oxley and the Exchange Rules. The Company maintains a system of internal controls, including, but not limited to, disclosure controls and procedures, internal controls over accounting matters, internal control over financial reporting, an internal audit function and legal and regulatory compliance controls (collectively, “**Internal Controls**”) that comply with the applicable Securities Laws, except as set forth in the Registration Statement, the General Disclosure Package and the Final Prospectus. The Internal Controls are sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with U.S. Generally Accepted Accounting Principles (“**GAAP**”) and to maintain accountability for assets, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Internal Controls are overseen by the Audit Committee (the “**Audit Committee**”) of the Board in accordance with Exchange Rules. Except as disclosed in the Registration Statement, the General Disclosure Package and the Final Prospectus, the Company has not reported to the Audit Committee or the Board, and within

the next 90 days the Company does not reasonably expect to publicly disclose or report to the Audit Committee or the Board, a significant deficiency, material weakness, change in Internal Controls or fraud involving management or other employees who have a significant role in Internal Controls (each, an “**Internal Control Event**”), any violation of, or failure to comply with, the Securities Laws, or any matter which, if determined adversely, would have a Material Adverse Effect.

(xxvii) *Litigation.* Except as disclosed in the General Disclosure Package, there are no pending actions, suits or proceedings (including any inquiries or investigations by any court or governmental agency or body, domestic or foreign) against or affecting the Company, any of its subsidiaries or any of their respective properties that, if determined adversely to the Company or any of its subsidiaries, would, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect, or would materially and adversely affect the ability of the Company to perform its obligations under this Agreement; and to the Company’s knowledge no such actions, suits or proceedings (including any inquiries or investigations by any court or governmental agency or body, domestic or foreign) are threatened or contemplated.

(xxviii) *Financial Statements.* The financial statements included in the Registration Statement and the General Disclosure Package present fairly in all material respects the financial position of the Company and its consolidated subsidiaries as of the dates shown and their results of operations and cash flows for the periods shown, and such financial statements have been prepared in conformity with GAAP applied on a consistent basis; and the schedules, if any, included in the Registration Statement and the General Disclosure Package present fairly in all material respects the information required to be stated therein. PricewaterhouseCoopers LLP, which has certified the financial statements of the Company included in the Registration Statement, the General Disclosure Package and the Final Prospectus, was an independent registered public accounting firm with respect to the Company during the period of its engagement by the Company and through September 6, 2017 within the Rules and Regulations and as required by the Act and the applicable rules

and guidance from the Public Company Accounting Oversight Board (United States). All material required to be filed by the Company pursuant to Rule 433(d) under the Act shall have been filed with the Commission within the applicable time period prescribed for such filing by Rule 433 under the Act and in accordance with the Rules and Regulations and Section 7 hereof. Prior to the Closing Date, no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or the Representatives, shall be contemplated by the Commission; no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Final Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the reasonable satisfaction of the Representatives.

(f) *Opinion of Local Counsel for Non-Sponsor Selling Stockholder.* The Representatives shall have received an opinion of Eversheds Sutherland (US) LLP, counsel for Second Bite Investments, LLC, dated the Closing Date and with respect to such matters as the Representatives may require, and the Company shall have furnished to the Non-Sponsor Selling Stockholder or its counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(f) *Opinion of Counsel for Underwriters.* The Representatives shall have received from Debevoise & Plimpton LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date, with respect to such matters as the Representatives may require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(g) *Officers' Certificate.* The Representatives shall have received a certificate, dated the Closing Date, of an executive officer of the Company and a principal financial or accounting officer of the Company, in each case in their capacity as an officer of the Company

and not in their personal capacity, in which such officers shall state that: the representations and warranties of the Company in this Agreement are true and correct as of the Closing Date; the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date; no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the best of their knowledge and after reasonable investigation, are contemplated by the Commission; no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Act shall have been received; no stop order suspending or preventing the use of the Final Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission; and, subsequent to the date of the most recent financial statements included or incorporated by reference in the General Disclosure Package, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or otherwise), results of operations, business, properties or prospects of the Company and its subsidiaries, taken as a whole, except as set forth in the General Disclosure Package or as described in such certificate.

21

documents as the Representatives reasonably request. The Representatives may in their sole discretion waive on behalf of the Underwriters compliance with any conditions to the obligations of the Underwriters hereunder.

(k) *No Objection.* FINRA shall have confirmed that it has not raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements relating to the offering of the Offered Securities.

(l) *Approval of Listing.* At the Closing Date, the Offered Securities shall have been duly listed on the New York Stock Exchange.

9. *Indemnification and Contribution.* (a) *Indemnification of Underwriters and Selling Stockholders by Company.* The Company will indemnify and hold harmless each Underwriter, its partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an “**Indemnified Party**”) and each Selling Stockholder (each, a “**Selling Stockholder Indemnified Party**”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party or such Selling Stockholder Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, the Basic Prospectus at any time, any Preliminary Prospectus as of any time, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein (with respect to the Registration Statement) or necessary to make the statements therein, in light of the circumstances in which they were made (with respect to the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus), not misleading, and will reimburse each Indemnified Party and each Selling Stockholder Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party or such Selling Stockholder Indemnified Party in connection with investigating or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party or such Selling Stockholder Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with (x) written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in subsection (c) below or (y) the Selling Stockholder Information.

(b) *Indemnification of Underwriters and the Company by Selling Stockholders.* Each Selling Stockholder will, severally and not jointly, indemnify and hold harmless each Indemnified Party and the Company, against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party or the Company may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or

22

are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, the Basic Prospectus at any time, any Preliminary Prospectus as of any time, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein (with respect to the Registration Statement) or necessary to make the statements therein, in light of the circumstances in which they were made (with respect to the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus), not

misleading, and will reimburse each Indemnified Party and the Company for any legal or other expenses reasonably incurred by such Indemnified Party or the Company in connection with investigating or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party or the Company is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; *provided, however*, that each Selling Stockholder will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in subsection (c) below; *provided, further*, that each Selling Stockholder shall be liable in any such case to the extent, but only to the extent, that any such loss, claim, damage or liability arises out of, or is based upon, any untrue statement or alleged untrue statement or omission or alleged omission made in any Registration Statement, any Preliminary Prospectus, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information concerning such Selling Stockholder furnished to the Company by such Selling Stockholder specifically for inclusion therein, it being understood and agreed that the only such information furnished by such Selling Stockholder consists of the name of such Selling Stockholder, the number of Offered Securities and the address and other information with respect to such Selling Stockholder (excluding percentages) which appear in the Final Prospectus in the table (and corresponding footnotes) under the caption “Principal and Selling Stockholders” (such information, the “**Selling Stockholder Information**”); *provided, further*, however, that the aggregate amount of each Selling Stockholder’s liability under this Section 9(b) shall not exceed the aggregate amount of net proceeds (after underwriting commissions and discounts, but before deducting expenses) received by such Selling Stockholder from the Underwriters for the sale of the Offered Securities hereunder.

(c) *Indemnification of Company and Selling Stockholders.* Each Underwriter will severally and not jointly indemnify and hold harmless the Company, each of its directors and each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and each Selling Stockholder and each person, if any, who controls such Selling Stockholder within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an “**Underwriter Indemnified Party**”) against any losses, claims, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Act, the Exchange Act, or other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, the Basic Prospectus at any time, any Preliminary Prospectus as of any time, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein (with respect to the Registration Statement) or necessary to make the statements therein, in light of the circumstances in which they were made (with respect to the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus), not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged

omission was made in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Final Prospectus furnished on behalf of each Underwriter: the third, eleventh and twelfth paragraphs under the caption “Underwriting.”

(d) *Actions Against Parties; Notification.* Promptly after receipt by an indemnified party under this Section 9 notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under subsection (a), (b) or (c) above, notify the indemnifying party in writing of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a), (b) or (c) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a), (b) or (c) above. In case any such action is brought against any indemnified party and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 9, as the case may be, for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(e) *Contribution.* If the indemnification provided for in this Section 9 is unavailable or insufficient to hold harmless an indemnified party under subsection (a), (b) or (c) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a), (b) or (c) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Stockholders on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Selling Stockholders on the

one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Stockholders on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Selling Stockholder bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be

determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, the Selling Stockholders or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (e). Notwithstanding the provisions of this subsection (e), (x) no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission and (y) no Selling Stockholder shall be required to contribute (A) any amount in excess of the amount by which the net proceeds (after underwriting commissions and discounts, but before deducting expenses) received by such Selling Stockholder from the sale of its Offered Securities hereunder exceeds the amount of any damages which such Selling Stockholder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission or (B) with respect to any losses, claims, damages or liabilities for which such Selling Stockholder would not have been liable under Section 9(b) if such Section 9(b) were applied in accordance with its terms. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Selling Stockholders' obligations in this subsection (e) to contribute are several in proportion to their respective net proceeds (after underwriting commissions and discounts, but before deducting expenses) received by the Selling Stockholder from the Offered Securities sold by such Selling Stockholder pursuant to this Agreement and not joint. The Company, the Selling Stockholders and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9(e) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 9(e).

10. [Reserved].

11. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Selling Stockholders, of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, any Selling Stockholder, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason, the Company will reimburse the Underwriters for all out of pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Offered Securities, and the respective obligations of the Company, the Selling Stockholders and the Underwriters pursuant to Section 9 hereof shall remain in effect. In addition, if any Offered Securities have been purchased hereunder, the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect.

Ladies and Gentlemen:

As an inducement to the Underwriters to execute the Underwriting Agreement (the “**Underwriting Agreement**”), by and among the several Underwriters listed on Schedule B thereto, GMS Inc. (and any successor (by merger or otherwise) thereto, the “**Company**”), and the stockholder of the Company listed on Schedule A thereto, providing for the public offering (the “**Offering**”) of common stock, par value \$0.01 per share (the “**Securities**”), of the Company pursuant to a registration statement on Form S-3 to be filed with the Securities and Exchange Commission (the “**SEC**”), the undersigned hereby agrees that during the period specified in the following paragraph (the “**Lock-Up Period**”), the undersigned will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any Securities or securities convertible into or exchangeable or exercisable for any Securities, whether now owned or hereafter acquired by the undersigned, or with respect to which the undersigned now has or hereafter acquires the power of disposition, enter into a transaction which would have the same effect, or enter into any swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of the Securities, whether any such aforementioned transaction is to be settled by delivery of the Securities or such other securities, in cash or otherwise, or publicly disclose the intention to make any such offer, sale, pledge or disposition, or to enter into any such transaction, swap, hedge or other arrangement, without, in each case, the prior written consent of the Representatives (as defined in the Underwriting Agreement). In addition, the undersigned agrees that, without the prior written consent of the Representatives, it will not, during the Lock-Up Period, make any demand for or exercise any right with respect to, the registration of any Securities or any security convertible into or exercisable or exchangeable for the Securities. To the extent there are no additional Underwriters listed on Schedule B to the Underwriting Agreement other than you, the term Representatives as used herein shall mean you, as Underwriter, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires.

The Lock-Up Period will commence on the date of this Lock-Up Agreement and continue and include the date 30 days after the public offering date set forth on the final prospectus used to sell the Securities (the “**Public Offering Date**”) pursuant to the Underwriting Agreement, to which the Company is or expects to become a party.

Any Securities received upon exercise of options or upon conversion or exchange of any security granted, sold or transferred to the undersigned will also be subject to this Lock-Up Agreement. Notwithstanding the foregoing, the undersigned may transfer any Securities or securities convertible into or exchangeable or exercisable for any Securities (i) by will or intestacy, (ii) as a bona fide gift or gifts, (iii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for

A-1

purposes of this Lock-Up Agreement, “immediate family” shall mean any relationship by blood, current or former marriage or adoption, not more remote than first cousin), (iv) as a distribution or transfer to general partners, limited partners, members or stockholders of the undersigned, (v) to the undersigned’s subsidiaries, affiliates, or to any investment fund or other entity which controls or manages or is controlled or managed by, or under common control or management with, the undersigned, (vi) pursuant to an order of a court or regulatory agency or by operation of law, such as pursuant to a domestic relations order or in connection with a divorce settlement, (vii) to the Company upon the death, disability or termination of employment, in each case, of the undersigned, (viii) in connection with transactions relating to Securities acquired in open market transactions after the completion of the Offering, (ix) to the Company (a) pursuant to the exercise, in each case on a “cashless” or “net exercise” basis, of any option to purchase Securities granted by the Company pursuant to any employee benefit plans or arrangements described in the General Disclosure Package and the Final Prospectus (each as defined in the Underwriting Agreement), where any Securities received by the undersigned upon any such exercise will be subject to the terms of this Lock-Up Agreement, or (b) for the purpose of satisfying any withholding taxes (including estimated taxes) due as a result of the exercise of any option to purchase Securities or the vesting of any restricted stock or restricted stock unit awards granted by the Company pursuant to employee benefit plans or arrangements described in the General Disclosure Package and the Final Prospectus, in each case on a “cashless,” “net exercise” or “net settlement” basis, where any Securities received by the undersigned upon any such exercise or vesting will be subject to the terms of this Lock-Up Agreement, (x) pursuant to the Offering and/or (xi) with the prior written consent of the Representatives; *provided* that in the case of each transfer or distribution pursuant to clauses (ii) through (v) above, the transferee agrees to be bound in writing by the terms of this Lock-Up Agreement prior to such transfer and such transfer shall not involve a disposition for value; *provided, further*, that in the case of each transfer pursuant to clauses (ii) through (v) and clause (viii) above, no filing or public announcement by any party (donor, donee, transferor or transferee) under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) or otherwise shall be required or shall be voluntarily made reporting a reduction in beneficial ownership of Securities in connection with such transfer (other than a filing on a Form 5 made after the expiration of the Lock-Up Period); and *provided, further*, that in the case of each transfer pursuant to clauses (i), (vi), (vii) or (ix) above, if a filing under Section 16 of the Exchange Act is required by, or voluntarily made with respect to, such transfer, the undersigned shall disclose in such filing the reasons for such transfer, unless, in the case of clause (vi), such disclosure would be prohibited by any applicable law, regulation or order of a court or regulatory agency.

Nothing in this agreement shall prevent (a) any transactions effectuated pursuant to a trading plan that satisfies all of the requirements of
